[Standard 4-Way Block Aluminum Pallet
Spec. Sheet](#)

[Custom Sizes Available Upon Request](#)

Aluminum is a perfect solution to storage and warehouse needs! It won't rust ,rot ,warp ,or burn.

It doesn't sag under heavy loads up to 8 ton or more if needed .

The consistency of aluminum pallets make them the obvious choice for automated storage

and retrieval systems. Aluminum can be custom manufactured to your specifications.

Built for your application- no custom-mold cost, ever.

The Beauty of aluminum pallets is more then skin deep !
